

Climate Action

AUGUSTA MARGARET RIVER

You are invited to take part in development of a climate action plan for our community.

Get involved to find out more about the role you can play in helping our community reduce carbon emissions, including:

- What is already happening on both a global and local scale to reduce carbon emissions and secure a climate resilient future
- The economic, social and environmental outcomes in the Shire
- The development of local solutions and clear pathways for everyone to take action.
