

COMMUNITY POSSUM NIGHTSTALK IN URBAN MARGARET RIVER

Join Nature Conservation for a guided possum nightstalk.

Learn about the critically endangered Western Ringtail Possum and how our urban green spaces offer valuable habitat and could represent a significant conservation opportunity for this iconic species

When: Fri 16th October

Time: 6.45pm—7.45pm

Where: Meet corner of Samworth St & Railway Terrace (shire depot)

Please register via the website:

www.natureconservation.org.au

This event is part of a partnership project with the Shire of Augusta Margaret River, funded through the Shire's Environmental Management Fund.
