

WESTERN RINGTAIL POSSUM NIGHTSTALK IN AUGUSTA

Join Nature Conservation for a guided possum nightstalk along the Hardy inlet.

Learn about the critically endangered Western Ringtail Possum and how our green spaces offer valuable habitat and could represent a significant conservation opportunity for this iconic species.

When: Sat 9th April 2022

Time: 6.30-8:00pm

Where: Meet cnr of Albany Tce and Turner Caravan Park,
by the river foreshore

Please register via the website:
